

TO WHOM IT MAY CONCERN

8 May 2019

This is to certify that Mr David Cottier-Angeli has worked as a Conservator and Conceptor on part of one of the collections we look after. Between 2008 and 2016 we entrusted into his care a collection of 500 aurei valued at CHF 70 million for several consecutive months in his total authority.

We highly recommend David as he exhibits one of the highest levels of trust and productivity in his field. He is very well organized and keeps track of the necessary details to coordinate complex work and run an efficient support for our Collection Management Office.

I volunteered to write this recommendation for David because I am very grateful for his contributions to this specific collection and am confident that he has the intelligence, work ethic, and communications skills to add value wherever he works.

Please feel free to contact me if you have any questions about this outstanding conservator, fellow member of the International Institute for Conservation and Swiss Forensic Expert.
